

STOP BULLYING

Educators Anti-Bullying Pledge

I pledge to do my part to stop bullying in my school and in my community. I will do my best to make each and every student feel included, valued and respected. I will be a trusted adult, who will assist students in need of my help. I know that words hurt but actions heal, so I will do my best to protect others from being bullied. I will take action on every report on bullying and I will stand up for what is right.

will begin with me!**
